Holder hereby further discharges, holds harmless and unconditionally indemnifies ASA and its subsidiaries, affiliates, shareholders, directors, officers, employees, representatives, contractors, sponsors, volunteers and agents from and against any and all liabilities, claims, demands, actions, causes of action, suits, losses, costs or expenses of any kind or nature whatsoever, which arise out of or result from Holder's attendance at and media coverage of the Event. Holder, for and on behalf of him/herself, his/her spouse, heirs, personal administrators, successors, assigns, and all others claiming by, through or under him/her, covenants not sue or otherwise commence any action, suit or proceeding against ASA, its shareholders, directors, officers, employees, representatives, contractors and agents, for any liabilities, claims, demands, actions, causes of action, suits, losses, costs or expenses of any kind or nature which are waived, released and/or discharged hereunder.**

2. For real and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and FOR NO ADDITIONAL COMPENSATION, HOLDER HEREBY GRANTS TO ASA, its duly authorized agents, licensees and assigns, the RIGHT TO PUBLICLY AND COMMERCIALY USE, display, publish, distribute, perform, transfer, license, reproduce, copy, alter, make derivatives of, translate, transmit and otherwise commercially exploit IN PERPETUITY Holder's name, image, signature, likeness, voice, photograph, persona, trade dress and other publicity rights, including pictures, photographs, films, images and sounds of Holder, that may be captured, recorded or memorialized at or in, or related to, the Event including before or after the Event, or in any related activities of ASA, its affiliates, sponsors, licensees or sublicensees, that are put on near the Event, such as pre- or after-parties, receptions, VIP matters, meetings and the like, in any way, medium or material, whether now known or hereafter created (including, but not limited to, print, television, radio, film and video, any other audio and/or visual productions or works, and transmissions over the Internet).
